Sir:

Enclosed herein is a proposed Certificate of Correction. The Certificate of Correction corrects errors in Assignee's name and in Claim 1. The correction to Assignee's name corrects a typographical error that was the fault of the PTO. The correction to Claim 1 puts this claim in the form as originally presented and as subsequently amended, if amended. Therefore, the record makes clear that these corrections correct errors, and that the errors were the fault of the PTO. Hence, no fee is required.
